CHAPTER ONE

INTRODUCTION

- 1.1 The City of Tucson's initiative and referendum processes are provided for in the Tucson City Charter (Chapters XIX and XX), and the Tucson City Code (Chapter 12, Articles IV and V).
- 1.2 Provisions governing the initiative and referendum processes are set forth in the Tucson City Charter and supplemented by the Tucson City Code, provisions contained in these rules and regulations, and applicable provisions of the Arizona Constitution and the Arizona Revised Statutes (A.R.S.). These rules and regulations will not necessarily answer all questions concerning an initiative or referendum petition, and they should not be considered a substitute for obtaining private legal counsel for specific questions regarding the initiative or referendum petition process.
- 1.3 These rules and regulations are prescribed and updated as required by the City Clerk in accordance with the provisions of Section 12-7 of the Tucson City Code. They are intended to inform individuals regarding the availability of, and general procedures regarding, the City's initiative and referendum process, as well as to assist in achieving and maintaining the highest possible degree of correctness, uniformity and efficiency in the process. However, in the event these rules and regulations are found to be in conflict with any provision(s) of the Tucson City Charter or the Tucson City Code, the provision(s) of the Charter or Code shall prevail.
- 1.4 Two copies of these rules and regulations are filed with the City Clerk in accordance with the provisions of Section 10A-136 of the Tucson City Code.
- 1.5 Copies of these rules and regulations are available from the City Clerk. All forms and documents referred to in these rules and regulations are available from, issued by, and to be filed with, the City Clerk.
- 1.6 The City Clerk shall have the right, at any time, to review, challenge or reject an initiative or referendum petition on the basis of any legal or procedural insufficiency, including but not limited to the petition's failure to address legislation that is subject to the initiative or referendum process. The City Clerk's administration of the initiative and referendum process does not represent an acceptance or review of the petition, and the absence of objection at any particular time does not bar subsequent rejection of the initiative or referendum petition by the City.

CHAPTER TWO

INITIATIVE AND REFERENDUM DESCRIBED

- 2.1 **Initiative** is the power, reserved to the qualified electors of the City of Tucson, to propose a Charter amendment for submission to a vote of the electorate; or to propose an ordinance for adoption by the Mayor and Council or submission to a vote of the electorate. (Arizona Constitution, Article 4, Part 1, § 1, ¶ 8; Tucson City Charter, Chapter XIX; Tucson City Code, Chapter 12, Article IV). If the City Clerk finds that an initiative petition proposing a Charter amendment has sufficient signatures, the petition is submitted to the Mayor and Council with a certificate so stating, and the Mayor and Council must then call an election at which the initiative is submitted to the vote of the people. If the City Clerk finds that an initiative petition proposing an ordinance has sufficient signatures, the petition is submitted to the Mayor and Council with a certificate so stating, and the Mayor and Council must then either pass the initiative within twenty (20) days or call an election at which the initiative is submitted to the vote of the people.
- 2.2 **Referendum** is the power, reserved to the qualified electors of the City of Tucson, to submit a petition to require the Mayor and Council to reconsider and repeal a specified ordinance or submit the ordinance to a vote of the electorate. (Arizona Constitution, Article 4, Part 1, § 1, ¶ 8; Tucson City Charter, Chapter XX; Tucson City Code, Chapter 12, Article V). If the City Clerk finds that a referendum petition has sufficient signatures, the petition is submitted to the Mayor and Council with a certificate so stating, and the Mayor and Council must then reconsider the ordinance, and either repeal it or call an election at which the ordinance is submitted to a vote of the people.

NOTE: Throughout these rules and regulations, “ordinance” as it refers to referendum encompasses those resolutions having the effect of ordinances. Not all ordinances are subject to the referendum process. Contact the City Clerk to inquire about the applicability of the referendum process to a specific ordinance.

CHAPTER THREE

NUMBER OF SIGNATURES REQUIRED FOR INITIATIVE AND REFERENDUM PETITIONS

- 3.1 **Initiative** petitions must be signed by a minimum of fifteen (15%) percent of the qualified electors of the City, computed on the vote for the candidates for mayor at the last preceding general municipal election at which a mayor was elected.
- 3.2 Through the November ~~2011~~ **2013** General Election, initiative petitions require ~~9,534~~ **12,730** valid signatures.
- 3.3 Referendum petitions must be signed by a minimum of ten percent (10%) of the qualified electors of the City, computed on the whole number of votes cast at the last preceding municipal election at which a mayor or council member was elected.¹
- 3.4 Through the November ~~2011~~ **2013** General Election, referendum petitions require ~~6,356~~ **8,487** valid signatures.

¹ A.R.S. § 19-142(A). Tucson Charter, Ch. XX, § 1 requires that petitions be signed by “ten (10) percent of the entire vote cast for all candidates for mayor at the last preceding general municipal election at which a mayor was elected.” But the Arizona Court of Appeals has recently held that A.R.S. § 19-142(A) pre-empts conflicting city charter provisions. *Jones v. Paniagua*, ___ Ariz. ___, ___ P.3d ___, 2009 WL 787368, 3 (App. 2009) (A.R.S. § 19-142 pre-empts Phoenix City Charter, Ch. XVI, § 3 which, like Tucson’s Charter, provides in relevant part that a referendum petition is valid if signed by “[q]ualified electors of the City, equal in number to ten per centum of the total number of votes cast at the last preceding general City election at which a Mayor was elected”). Although the City of Phoenix is seeking Arizona Supreme Court review of this decision, it is the controlling law at this time.

CHAPTER SEVEN

CIRCULATING INITIATIVE AND REFERENDUM PETITIONS

General Requirements

- 7.1 In no event shall the City Clerk accept an initiative petition which was issued for circulation more than twenty-four (24) months prior to the date of the election at which the measure is to be included on the ballot.
- 7.2 **Initiative** petitions which have not been filed with the City Clerk as of 5:00 p.m. on the day four (4) months prior to the ensuing general election after their issuance are null and void.
- 7.3 To be placed on the ~~November 8, 2011~~ **November 5, 2013** general election ballot, an initiative petition must have been issued for circulation no earlier than ~~November 8, 2009~~ **November 5, 2011** and must be filed with the City Clerk during regular business hours no later than 5:00 p.m., ~~July 7, 2011~~ **July 5, 2013**.
- 7.4 **Referendum** petitions must be filed with the City Clerk within thirty (30) days of the adoption of the ordinance to be referred, except that if the City Clerk is unable to provide petitioners' with a copy of the ordinance at the time of application for an official petition number or on the same business day of the application, the thirty (30) day period shall be calculated from the date such ordinance is made available from the City Clerk.

Required Filings Prior to Circulation

- 7.5 A Statement of Organization Form must be completed and filed with the City Clerk before valid signatures can be collected for any initiative or referendum petition. Signatures obtained prior to the filing of a completed Statement of Organization Form are **void**, and shall not be counted in determining the legal sufficiency of any initiative or referendum petition.
- 7.6 Prior to the circulation of an initiative or referendum petition, the petitioners' must also file with the City Clerk, as a public record, a blank final printed version of the petition they intend to circulate, showing the official petition number. The initiative or referendum petition must include the complete title and text of the proposed measure to be initiated, or of the proposed referendum measure.

Who May Circulate a Petition

- 7.7 Subject to Rule 7.8, any person qualified to register to vote in the State of Arizona may circulate an initiative or referendum petition (A.R.S. §§ 19-114(A), 16-101).²

² In *Nader v. Brewer*, 531 F.3d 1028, 2008 WL 2669682 (9th Cir. 2008), the United States Court of Appeals for the Ninth Circuit held that the requirement that circulators be qualified to register to vote could not be applied to circulators of nomination petitions for a presidential candidate.

- 7.8 No county recorder or justice of the peace shall circulate an initiative or referendum petition, and all signatures verified by any such person shall be **void** and shall not be counted in determining the legal sufficiency of the petition.

What the Circulated Petition Must Include

- 7.9 If the initiative or referendum petition consists of more than one (1) page, each sheet containing the title and text of the measure that is proposed or referred by the initiative or referendum petition must be attached in front of each signature sheet at all times during circulation and upon filing with the City Clerk.
- 7.10 The official petition number assigned by the City Clerk shall appear in the lower right-hand corner of each and every page of the initiative or referendum petition at all times during circulation. Except as specified in Rule 7.11, the City Clerk will not accept for filing petition pages that do not bear this number.
- 7.11 In the case of a **referendum** petition, where an ordinance number uniquely identifies the subject matter to be addressed by the petition, the official petition number requirement of Paragraph 7.10 is considered to be substantially complied with if the ordinance number is placed on each page of the petition. Petitions submitted with the official petition number on the signature sheet and the City ordinance number on the title and text pages will be accepted by the City Clerk for processing.

Who May Sign the Petition

- 7.12 An initiative or referendum petition may only be signed by qualified electors of the City of Tucson.

Procedures Regarding Circulation and Signing

- 7.13 Every qualified elector signing an initiative or referendum petition shall do so in the presence of the person circulating the petition and who is to execute the circulator's affidavit.
- 7.14 Each circulator of an initiative or referendum petition shall personally receive sufficient information from each signer of the signature sheet, at the time the signature is obtained, to ensure that the circulator can, as to all signers of that page, depose and state in the affidavit that each signature is genuine, and that each signer is a resident and qualified elector of the City of Tucson.
- 7.15 The circulator of any initiative or referendum petition shall retain **direct custody and control** of the initiative or referendum petition sheet, at all times during circulation, except when the person is signing; shall personally give the initiative or referendum petition to, and take it from, each signer; and shall personally observe each signer of the initiative or referendum petition sheet actually sign the initiative or referendum petition sheet.

For the purposes of this requirement, the term “at all times during circulation” means the entire period from the time the circulator receives any blank initiative or referendum petition for circulation until the time the circulator’s signature on the affidavit for that signature sheet is notarized.

- 7.16 Pursuant to Tucson Code § 12-54(f) and A.R.S. § 19-112(C), abandoned or stray petition sheets that are not or at any time have not been under the direct custody and control of the circulator will be rejected in their entirety.
- 7.17 An initiative or referendum petition signature sheet shall have only one signature placed on each numbered signature line. If more than one signature appears on a numbered line, only the signature which is actually on the line will be eligible for verification; all other signatures shall be rejected as facially defective, as required by Rule 10.7(D).
- 7.18 The signature shall be placed in the signature space provided on the numbered line of the signature page. If the signature is made in the margin or otherwise outside the signature space, it shall be rejected.
- 7.19 Ditto marks symbolized by inverted commas or apostrophes (e.g. "), clearly made and identifiable as such, are the only marks of reiteration that are acceptable for use in an initiative or referendum petition. Ditto marks shall **not** be used in the signature column but may be used in all other columns.
- 7.20 Each circulator of an initiative or referendum petition shall cross out and initial any blank signature lines on the signature sheet prior to, or at the time, the circulator’s signature on the affidavit for that signature sheet is notarized. In the event that a circulator fails to cross out and initial any blank signature lines before notarization then the entire signature sheet will be rejected and all signatures on that page will be discounted.
- 7.21 The circulator's affidavit must be executed completely and in proper form by the circulator of an initiative or referendum petition, and notarized in accordance with Arizona Revised Statutes relating to notaries public and the Secretary of State’s Arizona Notary Public Reference Manual, in order for the signature sheet to be accepted for verification by the City Clerk.
- 7.22 A circulator of an initiative or referendum petition shall state whether he or she is a paid circulator or a volunteer by checking the appropriate line on the signature sheet **before** circulating the initiative or referendum petition for signatures.

Note: The definition of a paid circulator means a natural person who receives monetary or other compensation that is based on the number of signatures obtained on an initiative or referendum petition or on the number of initiative or referendum petitions circulated that contain signatures. It does not include a paid employee of any political committee organized pursuant to Arizona Revised Statutes, Title 16, Chapter 6, unless that employee’s primary responsibility is circulating petitions to obtain signatures.

Responsibility of Petitioners for Correct Form

- 7.23 It is the responsibility of the petitioners' of the initiative or referendum petition to ensure that at all times during circulation, the petition is in the required form, that it contains all required information, and that all of its pages are fully legible. Any deficiencies are subject to challenge by the public as well as the City Clerk.

CHAPTER EIGHT

WITHDRAWAL OF SIGNATURES BY QUALIFIED ELECTORS

- 8.1 Qualified electors wishing to withdraw their signatures from an initiative or referendum petition may do so by completing and filing with the City Clerk an Affidavit of Withdrawal any time prior to the time the petition is filed with the City Clerk. A sample Affidavit of Withdrawal is included with these rules and regulations.

CHAPTER NINE

PROCEDURES AND DEADLINES FOR FILING INITIATIVE AND REFERENDUM PETITIONS

Filing Deadlines

- 9.1 In no event shall the City Clerk accept an initiative petition which was issued for circulation more than twenty-four (24) months prior to the date of the election at which the measure is to be included on the ballot.
- 9.2 Initiative petitions which have not been filed with the City Clerk as of 5:00 p.m. on the day four (4) months prior to the ensuing general election after their issuance are null and void. To be placed on the ~~November 8, 2011~~ **November 5, 2013** general election ballot, an **initiative** petition must have been issued for circulation no earlier than ~~November 8, 2009~~ **November 16, 2011** and must be filed with the City Clerk during regular business hours no later than 5:00 p.m., ~~July 7, 2011~~ **July 5, 2013**.
- 9.3 Referendum petitions must be filed within thirty (30) days of the passage of the ordinance to be referred, except that if the City Clerk is unable to provide petitioners' with a copy of the ordinance at the time of application for an official petition number or on the same business day of the application, the thirty (30) day period shall be calculated from the date such ordinance is made available from the City Clerk.

General Procedures

- 9.4 Those persons filing an initiative or referendum petition should contact the City Clerk a minimum of forty-eight (48) hours in advance of filing so that appropriate arrangements may be made for processing the petition.
- 9.5 The City Clerk shall reject petitions that are illegible.
- 9.6 Initiative and referendum petitions must be filed with the City Clerk, City Hall, 255 W. Alameda, Tucson, Arizona.
- 9.7 Initiative and referendum petitions must be filed during the City Clerk's regular business hours, Monday through Friday, 8:00 a.m. to 5:00 p.m. (holidays excepted). Where the last day for filing falls on a Saturday, Sunday, or legal holiday, the petitioners' shall have until 5:00 p.m. of the next day that is not a Saturday, Sunday or legal holiday to file the petition.
- 9.8 Only initiative or referendum petitions that have been printed and numbered in the form prescribed by the City Clerk will be accepted for filing.
- 9.9 The initiative or referendum petition shall be filed with the City Clerk as one instrument, in the order and form prescribed by the City Clerk.

- 9.10 No partial filings or late filings will be accepted by the City Clerk, and no supplemental filings may be made during the initial examination and verification process.
- 9.11 To be accepted for filing, the official petition number assigned by the City Clerk (or, in the case of referendum petitions to which Rule 7.11 is applicable, the ordinance number) must appear in the lower right-hand corner of each and every page of the initiative or referendum petition, and a full and correct copy of the title and text of the measure being proposed or referred must be attached to the front of each signature sheet. The City Clerk shall reject a petition, or any portion thereof, that fails to meet these requirements.
- 9.12 A petition is filed when the petition sheets are tendered to the City Clerk, at which time a receipt is immediately issued by the City Clerk based on the petitioners' estimate of the purported number of sheets and signatures filed. After the City Clerk issues the temporary receipt, no additional petition sheets may be accepted for filing, and no additions, corrections, or adjustments to the filed petition sheets are permitted.
- 9.13 A representative of the petitioners must be present during the entire preliminary petition process, that is, from the time the petition sheets are tendered to the City Clerk to the time the City Clerk either issues an amended temporary receipt under Rule 10.8 or rejects the petition for insufficiency under Rule 10.10.

Responsibility of Petitioners for Correct Form

- 9.14 It is the petitioners' responsibility to ensure that at the time of filing, the petition is in the required form, that it contains all required information, and that all of its pages are fully legible. Once the City Clerk issues the temporary receipt, no additions, corrections, or adjustments to the filed petition sheets are permitted. Any deficiencies are subject to challenge by the public as well as the City Clerk.
- 9.15 The City Clerk shall have the right, at any time, to review, challenge or reject an initiative or referendum petition on the basis of any legal or procedural insufficiency, including but not limited to the petition's failure to address legislation that is subject to the initiative or referendum process. The City Clerk's administration of the initiative and referendum process does not represent an acceptance or review of the petition, and the absence of objection at any particular time does not bar subsequent rejection of the initiative or referendum petition by the City.

CHAPTER TEN

EXAMINATION OF INITIATIVE AND REFERENDUM PETITIONS BY THE CITY CLERK

General Considerations

- 10.1 Under the Tucson City Charter, the City Clerk is responsible for the verification of signatures contained in initiative or referendum petitions.
- 10.2 The signature examination and verification process is intended to determine whether the petitioners' have filed a sufficient number of signatures for the City Clerk to certify the initiative or referendum petition to Mayor and Council for action, pursuant to the Tucson City Charter, Chapter XIX, § 3 and Chapter XX, § 1.
- 10.3 At all times, the City Clerk shall have final control over the signature examination and verification process.

Defects in the Signature Sheets and the Circulators' Affidavits

- 10.4 The City Clerk shall examine the petition for defects. A signature sheet is subject to rejection where the circulator's affidavit:
 - A. Is not completed or signed by the circulator;
 - B. Is not notarized;
 - C. Is missing the notary's signature;
 - D. Has been notarized by a notary whose commission has expired or who has failed to include the date of the commission's expiration;
 - E. Does not have the notary's seal affixed or whose seal is not in compliance with the Arizona Revised Statutes relating to notaries public and the Secretary of State's Arizona Notary Public Reference Manual;
 - F. Does not bear a notarization date;
 - G. Contains signatures of the circulator, notary or both that are dated earlier than the dates on which any electors signed the signature page of the initiative or referendum signature sheet (A.R.S. 19-121.01(A)(1)(f));
 - H. Is attached to a page where the circulator failed to cross out and initial any blank signature lines at the time of or prior to notarization;
 - I. It is, in the opinion of the City Clerk, otherwise defective.

Signatures on a signature sheet with a defective circulator's affidavit shall **not** be included in the count of signatures eligible for verification, and shall be ineligible for inclusion in the total of valid signatures.

- 10.5 The disqualification of a signature sheet results in the invalidity and removal of all signatures on that signature sheet, but not necessarily all signature sheets circulated by that circulator without an independent reason for disqualification for each signature sheet.

Defects in the Format of the Submitted Petition

- 10.6 The City Clerk shall examine the petition for improper formatting. Examples of improperly formatted pages include, but are not necessarily limited to, the following:

- A. Signature sheets that are not attached to a full and correct copy of the title and text of the measure being proposed or referred;
- B. Signature sheets that either do not themselves bear the City Clerk's official petition number in the lower right-hand corner, or that are attached to title and text pages which do not bear the official petition number, or that have both of these defects;

NOTE: Subsection B shall not apply to signature sheets submitted in compliance with Rule 7.11 of these rules and regulations, which permits identification of referendum petitions through citation of the ordinance number.

- C. Signature sheets which are themselves, or whose attached title and text pages are, damaged in such a manner that the format of the petition is both in violation of these rules and regulations and beyond correction (e.g. the official petition number is torn off, the title and text is missing, etc.);
- D. Signature sheets which are themselves, or whose attached title and text pages are, so illegible that verification of either the signatures or the propriety of the format of the printed material is impossible.

Signatures on or attached to improperly formatted pages of the petition shall not be included in the count of signatures eligible for verification, and shall be ineligible for inclusion in the total of valid signatures, **provided that** where the damage, illegibility or other improper formatting occurs on the signature sheet itself and affects only a portion of the signatures, the City Clerk may, in the City Clerk's discretion, accept for examination and verification under this Chapter those signatures which are not damaged, illegible or otherwise improperly formatted.

Facial Defects in the Signatures and their Accompanying Information

- 10.7 The City Clerk shall examine the individual signatures (or signature lines) contained on each numbered signature sheet of the petition. A signature is not eligible for verification, and is ineligible for inclusion in the total of valid signatures (and shall immediately be so designated by the City Clerk by marking an encircled "cc" in the margin to the right of the signature line), if it meets any of the following criteria:
- A. The signature is missing from the signature line;
 - B. The actual address is missing (street and number; and/or if no street address, described residence location);
 - C. The date of signing is missing or incomplete (to be complete, the date must include the month, day and year);
 - D. There is more than one signature placed on the numbered signature line, in which case only the signature which is actually on the line will be eligible for verification and all other signatures shall be rejected;
 - E. The signature is made in the margin or otherwise outside the signature space on the numbered signature line;
 - F. The signature has been withdrawn, pursuant to § 12-56 (and, in the case of a referendum, § 12-76) of the Tucson City Code, via an Affidavit of Withdrawal;
 - G. The date of signature is after the date on which the Affidavit of Circulator was notarized;
 - H. The signature or accompanying information are, in the opinion of the City Clerk, otherwise insufficient or defective.

Signatures which have been crossed out, or otherwise defaced, prior to being received by the City Clerk are not eligible for verification, and are ineligible for inclusion in the total of valid signatures (and shall be so designated by the City Clerk by marking an encircled "cc" in the margin to the right of the signature line).

Amended Temporary Receipt to Person(s) Submitting Petition or Immediate Rejection of Facially Insufficient Petition

- 10.8 If, after an examination pursuant to Rules 10.4 through 10.7, and removal of ineligible signatures, the number of facially eligible signatures remaining on the signature sheets appears to equal or exceed the minimum number required, the City Clerk shall issue an amended temporary receipt to the petitioners', which shall list the number of signature sheets in the possession of the City Clerk, and also the total number of signatures eligible for further examination and verification which are in the possession of the City Clerk.
- 10.9 The issuance of a temporary receipt to the petitioners' shall not preclude:

- A. The continuation or repetition of any examinations carried out prior to its issuance;
 - B. The initiation of examinations or verifications not yet begun;
 - C. Any other activities the City Clerk deems necessary to make a thorough, accurate and complete examination of the petition;
 - D. The exclusion from the total of valid signatures of any signatures found ineligible, invalid or **void** under the criteria of this Chapter.
- 10.10 If, after completion of the procedures described in Rules 10.4 through 10.7, the number of signatures remaining on the sheets which are eligible for verification does not appear to equal or exceed the minimum number required, the City Clerk shall reject the initiative or referendum petition and immediately return it to petitioners', without prejudice to the filing of a new petition for the same purpose. In the case of referendum, however, the deadline for submission of a sufficient petition under the Tucson City Charter, Chapter XX, § 1 shall remain applicable and does **not** begin to run anew.

Generation of Random Sample

- 10.11 After issuing the temporary receipt to the petitioners' for the initiative or referendum petition, the City Clerk shall at random, select five (5%) percent of the signatures determined to be eligible for verification. The random sample signatures to be verified shall be drawn in such a manner that every signature filed with the City Clerk has an equal chance of being included in the sample.
- 10.12 The random sample produced shall identify each signature selected by petition page and line number. The signatures selected shall be marked according to the following procedure:
- A. Mark in GREEN ink the selected signature by circling the line number and drawing a line from the base of the circle extending into the left margin;
 - B. If a signature line selected for the random sample is found to be blank or was removed from the verification process pursuant to the procedures and criteria set forth in these rules and regulations, and is marked with an encircled "cc", then the next successive eligible signature shall be selected as a substitute, even if that requires going to the next signature sheet in sequence.
 - C. If the next successive eligible signature, determined pursuant to B, has already been marked as a selected random sample signature, the City Clerk shall proceed backward from the line originally selected for the random sample and shall select the next previous eligible signature as a substitute, even if that requires going to the previous signature sheet in sequence.
 - D. If the next previous eligible signature, determined pursuant to C, has already been marked as a selected random sample signature, the City Clerk shall proceed forward from the line originally selected for the random sample and shall select the next

successive eligible signature as a substitute, even if that requires going to the next signature sheet in sequence.

- E. If the next successive eligible signature, determined pursuant to D, has already been marked as a selected random sample signature, the City Clerk shall continue the process of alternately moving backward and forward, set forth in C and D, until a signature eligible for verification and not already marked as a selected random sample signature, can be selected and substituted.
- F. For the purposes of this rule, the "next signature sheet in sequence" after the last page of the petition shall be the first page of the petition, and the "previous signature sheet in sequence" before the first page of the petition shall be the last page of the petition; and
- G. The City Clerk must retain in custody all signature sheets removed pursuant to this section except as otherwise prescribed in these rules and regulations (A.R.S. 19-121.01(D)).

10.13 After the selection of the random sample and the marking of the signatures selected on the original initiative or referendum signature sheets, the City Clerk shall reproduce a facsimile of the front and back of each signature sheet on which a signature included in the random sample appears. The City Clerk shall clearly identify those signatures marked for verification by color highlighting or other similar method and shall transmit by personal delivery to the Pima County Recorder a copy of each signature sheet on which a signature appears of any individual claiming to be a qualified elector of the City of Tucson whose signature was selected for verification as part of the random sample.

Verification of Signatures in Random Sample

10.14 The City Clerk shall verify the genuineness and eligibility of the signatures selected for the random sample pursuant to Rules 10.15 through 10.18.

Criteria for Verification of Signatures

10.15 The criteria used by the City Clerk for verification of the signatures of the signers and of petition circulators shall be based upon current law as set forth in the Tucson City Charter, the Tucson City Code, and applicable Arizona statutes and case law.

10.16 A signature is valid and eligible for inclusion in the total of valid signatures, if, in addition to meeting all of the other prerequisites of these rules and regulations, it meets the following criteria:

- A. The signer's signature and actual address are as they appear on the signer's Affidavit of Registration or State of Arizona voter registration form and the signer is currently registered and resides in the City of Tucson;

- B. The signer has provided an actual address on the petition which is not the same as the actual address on the Affidavit of Registration or State of Arizona voter registration form, if the signer is currently registered to vote in Pima County and the actual address listed on the petition is within the City limits;
- C. The signer has everything correct except the ward designation, if it can be shown that the signer is a qualified elector of the City of Tucson.

10.17 A signature is invalid, and ineligible for inclusion in the total of valid signatures, if any of the following criteria are met:

- A. The signer has provided an actual address on the petition which is not the same as the actual address on the Affidavit of Registration or State of Arizona voter registration form, and which is not within the City limits;
- B. The signer's actual address is not provided, is illegible or nonexistent;
- C. The signer resides outside the City limits;
- D. The signature is illegible and the signature does not correspond to any parties registered to vote at the actual address listed on the petition and is otherwise unidentifiable;
- E. The signer's signature is so incomplete that the identity of the signer cannot be ascertained. This includes those signer's who, except for surname, used only initials;
- F. The signer registered to vote after the date of signing the petition or was otherwise not a qualified elector on the date of signing the petition;
- G. The signer was a registered voter but was not at least eighteen years of age on the date of signing the petition;
- H. The signature is disqualified after comparison with the signature on the Affidavit of Registration or State of Arizona voter registration form;
- I. The signature is dated later than the date of notarization of the Affidavit of Circulator;
- J. The signature is invalid for any reason(s) for which any signatures or entire initiative or referendum petition sheets could have been removed by the City Clerk pursuant to the procedures and criteria set forth in these rules and regulations;
- K. If a signer has unintentionally signed more than once, all but one otherwise valid signature shall be ineligible for inclusion in the total of valid signatures.

Examination for Void Signatures

10.18 The City Clerk shall also examine the petition for void signatures. As used in these rules and regulations, a signature is **void** if:

- A. The signature appears on a signature sheet that was circulated by a county recorder, a justice of the peace, or a circulator who is not qualified to register to vote in the State of Arizona at the time of circulation of the signature sheet;
- B. The signature was obtained by a political committee proposing the initiative or referendum, or any of its officers, agents, employees or members, prior to the filing of the committee's Statement of Organization with the City Clerk.

Void signatures are ineligible for inclusion in the count of sufficient signatures and shall not be counted in determining the legal sufficiency of the petition.

Determination of Number of Valid Signatures

10.19 The City Clerk shall determine the total number of valid signatures in the initiative or referendum petition by subtracting from the total number of eligible petition signatures in the following order:

- A. All signatures on signature sheets of the petition obtained by unqualified circulators or containing a defective circulator's affidavit that have not been subtracted previously pursuant to procedures set forth in Rules 10.4 - 10.7;
- B. All signatures on the signature sheets of the petition that were found to be invalid in the random sample, and any other signatures found ineligible by the City Clerk that were not subtracted pursuant to rule 10.19(A);
- C. After determining the percentage of all signatures found to be invalid in the random sample (by dividing the number of invalid signatures in the random sample by the total number of signatures in the random sample), a like percentage from those signatures remaining after the subtractions performed pursuant to Rule 10.19(A) and 10.19(B) immediately above.

10.20 If the total number of valid signatures remaining after the subtractions required by Rule 10.19 is less than one hundred five (105%) percent but at least ninety-five (95%) percent of the minimum number required by the Charter, then the City Clerk shall order the examination and verification of each signature eligible for verification, using the criteria and procedures set forth in this Chapter, and thereafter make the subtractions required under Rule 10.19(A) and 10.19(B) with respect to all invalid signatures that have not already been subtracted.

10.21 The City Clerk may discontinue the process of examining and verifying each signature filed, pursuant to Rule 10.20, if at any time the examination shows that either:

- A. The signatures already examined and verified as valid equal or exceed the minimum number required by the Charter; or
- B. The sum of the signatures already examined and verified and the signatures remaining to be examined and verified will not equal or exceed the minimum required by the Charter, even if all signatures remaining to be examined and verified are presumed valid for purposes of the calculation.

- 10.22 Within ten (10) days after the petition is filed with the City Clerk, excluding Saturdays, Sundays, and legal holidays, the City Clerk shall have determined the percentage of signatures found to be invalid in the random sample.

CHAPTER ELEVEN

CERTIFICATION OF INITIATIVE AND REFERENDUM PETITIONS BY THE CITY CLERK

- 11.1 The City Clerk is responsible for, and shall exercise final control over, all aspects of the certification process relating to City initiative and referendum petitions. In the event of evidence of fraud or other circumstances that the City Clerk determines may affect the security or integrity of the initiative or referendum petition, the City Clerk shall consult with the City Attorney and the Tucson Police Department to take additional steps necessary to ensure the security and integrity of the initiative and referendum petition process and the proper validation of signatures. The precise steps will be determined on a case-by-case basis.
- 11.2 The City Clerk shall issue to the petitioners' a certificate stating that a sufficient number of signatures have been filed, if either of the following criteria are met:
- A. The total number of valid signatures remaining, after the subtractions required by Rule 10.19(A), (B), and (C), is at least one hundred five (105%) percent of the minimum number required by the Charter; or
 - B. The actual number of valid signatures, after an examination and verification of each signature filed, pursuant to Rule 10.20, and after the subtractions required by Rule 10.19(A) and (B), equals or exceeds the minimum number required by the Charter.
- 11.3 The City Clerk shall issue a certificate stating that an insufficient number of signatures have been filed, and at once notify in writing one (1) or more of the persons designated on the petition as filing same if either of the following criteria are met:
- A. The total number of valid signatures remaining after the subtractions required by Rule 10.19(A), (B), and (C) is less than ninety-five (95%) percent of the minimum number required by the Charter; or
 - B. The actual number of valid signatures after an examination and verification of each signature filed, pursuant to Rule 10.20, and after the subtractions required by Rule 10.19(A) and (B), fails to equal or exceed the minimum required by the Charter.
- 11.4 In the case of an insufficient **referendum** petition, upon issuing the certificate of insufficiency the City Clerk shall immediately return the petition to one (1) of the petitioners', without prejudice to the filing of a new petition for the same purpose within the time period required by Chapter XX, § 1 of the Tucson Charter, which time period shall **not** begin to run anew.
- 11.5 If the City Clerk certifies to Mayor and Council that an initiative or referendum petition is sufficient, the City Clerk shall proceed to submit the petition to the Mayor and Council for such action as is required by the provisions of the Tucson Charter and Tucson City Code.
- 11.6 The original copy of all petitions filed with the City Clerk, and subsequently certified as sufficient, shall be kept by the City Clerk for two (2) years after the filing of the petition.

- 12.3 There is a late penalty of ten dollars (\$10) for each day the report is late up to a maximum of four hundred and fifty dollars (\$450). By law, the City Clerk cannot accept a late report unless any penalties owed are paid when the report is filed.
- 12.4 If the report is not received by the City Clerk within fifteen (15) days after receiving a notice of delinquency, the committee, candidate or designating individual is liable for a penalty of twenty-five (\$25) for each additional day that the filing is late.

 - The Notice of Intent to Suspend the Political Committee shall state that failure of the political committee to fully comply with all filing requirements for that committee, including any required payments, within thirty days of the date of the notice shall result in suspension of the political committee's authority to operate in the City of Tucson.

- The City Clerk is not longer required to provide any further Notice of Delinquency to the political committee.
- This does not reduce or eliminate the political committee's continuing obligation to make campaign finance filings and pay any fines, penalties, civil penalties or other sanctions that may continue to accrue as otherwise provide by law.

(continued)

the same, or item, section or part thereof protested be not repealed, the mayor and council shall submit the ordinance or item, section or part thereof protested, as is provided in chapter XXI of this Charter, to the electors of the city, either at the next general election or at a special election to be called for that purpose; and such protested ordinance or protested item, section or part thereof shall not go into effect or become operative unless a majority of the qualified electors, voting on the same, shall vote in favor thereof, and until the proclamation of the mayor is made, as provided in section 6, chapter XIX, of this Charter.

The provisions of chapter XXI of this Charter, respecting the form, filing, certification, rejection and action on recall petitions, shall apply to petitions of the kind referred to in this chapter, with such modification as the nature of the case may require; but nothing in said chapter XXI shall be construed to extend the time for completing and filing a good and sufficient petition for referendum beyond the said period of thirty (30) days.

At any special election called under the provisions of this Charter, there shall be no bar to the submission of other questions to a vote of the electors in addition to the ordinances or measures herein provided for, if said other questions are such as may legally be submitted at such election. Sec. 12-57. Issuance of temporary receipt to the petitioners.

Upon receipt of a petition, the city clerk shall count the number of sheets submitted in proper format and return improperly formatted sheets to the petitioners. If the sheets appear to contain a number of signatures equal to or exceeding the minimum number required, the city clerk shall issue a receipt to the person or persons submitting the petition.

(Ord. No. 6179, § 2, 2-19-85)

Sec. 12-58. Examination and certification of petitions.

The random sample of signatures to be verified shall be drawn in such a manner that every signature filed with the city clerk has an equal chance of being included in the sample.

(a) Within ten (10) days after the petition is filed, excluding Saturdays, Sundays and legal holidays, the city clerk shall have determined the percentage of signatures found to be invalid in the random sample. The city clerk shall determine the total number of valid signatures by subtracting from the total number of eligible signatures as determined pursuant to the rules and regulations promulgated pursuant to the provisions of section 12-7 of this chapter in the following order:

- (1) All signatures on signature sheets of the petition obtained by unqualified circulators or containing a defective circulator's affidavit.
- (2) All signatures on the signature sheets of the petition that were found to be invalid in the random sample, and any other signatures found ineligible by the city clerk that were not subtracted pursuant to paragraph (1) of this subsection.
- (3) After determining the percentage of all signatures found to be invalid in the random sample, a like percentage from those signatures remaining after the

subtraction performed pursuant to paragraphs (1) and (2) of this subsection.

(b) If the actual number of signatures after certification, pursuant to subsection (c) of this section, on the remaining sheets after any such subtraction equals or exceeds the minimum number required by the Charter or if the number of valid signatures as projected from the random sample, pursuant to subsection (a), is at least one hundred five (105) percent of the minimum number required by the Charter, the city clerk shall issue a receipt to the persons that submitted them stating that a sufficient number of signatures have been filed.

(c) If the number of valid signatures as projected from the random sample is less than one hundred five (105) but greater than ninety-five (95) percent of the minimum number required by the Charter, then the city clerk shall order the examination and verification of each signature filed.

(d) If the number of valid signatures as projected from the random sample is less than ninety-five (95) percent of the minimum number required by the Charter or if the actual number of signatures on the remaining sheets after any such subtraction from the random sample or after certification fails to equal or exceed the minimum required by the Charter, the city clerk shall issue a certificate stating that an insufficient number of signatures have been filed.

(Ord. No. 6179, § 2, 2-19-85; Ord. No. 7915, § 2, 10-5-92; Ord. No. 8099, § 1, 8-2-93; Ord. No. 9576, § 1, 7-2-01)

Sec. 12-59. Procedure when insufficient petition is filed.

If the city clerk's certificate shows the petition to be insufficient, he shall at once notify in writing one (1) or more of the persons

(continued)

designated on the petition as filing the same; additional signatures, properly verified, may be filed at any time within ten (10) days from the filing of the certificate. The clerk shall, immediately after such refileing, make like examination of the additional signatures, and attach thereto his certificate of the result. If still insufficient, or if not additional signatures are so filed, he shall return the petition to one (1) of the persons designated as filing it, without prejudice, however, to the filing of a new petition for the same purpose.

(Ord. No. 6179, § 2, 2-19-85)

Editors Note: On March 14, 2007, in *Fleischman v. Protect Our City*, 214 Ariz. 406, 153 P.3d 1035 (2007), the Arizona Supreme Court held that A.R.S. § 19-121(B) preempts section 12-59 and Tucson Charter Chapter XXI, § 6. A.R.S. § 19-121(B) provides that once petition signature sheets are filed in support of a ballot measure, "no additional petition sheet may be accepted for filing", and thus does not allow the filing of additional signatures within the ten days after the city clerk certifies a city initiative petition insufficient.

Sec. 12-60. City clerk to certify sufficient petitions to mayor and council; mayor and council adopt ordinance or call an election.

When the petition shall be found by the city clerk to be sufficient, the city clerk shall submit the same, with the certificate, to the

mayor and council; and the mayor and council shall either:

- (1) Pass said initiative, without alteration, within twenty (20) days after the attachment of the city clerk's certificate to the sufficiency of the accompanying petition, or
- (2) Within twenty-five (25) days after the city clerk shall have attached the certificate of sufficiency to the petition, the mayor and council shall proceed to call a special election at which said initiative without alteration shall be submitted to the vote of the people.

(Ord. No. 6179, § 2, 2-19-85)

Sec. 12-61. Disposition of sufficient petitions.

The original copy of all petitions filed with the city clerk, and subsequently certified as sufficient, shall be kept by the city clerk for two (2) years after filing of the petition.

(Ord. No. 6179, § 2, 2-19-85)

Sec. 12-62. Number of proposed initiative measures to be voted on not limited.

Any number of proposed initiative measures may be voted upon at the same election.

(Ord. No. 6179, § 2, 2-19-85)

Sec. 12-63. Limit on number of initiative special elections.

There shall not be more than one (1) initiative special election in any period of twelve (12) months, and no initiative special election shall be held less than ninety (90) days prior to or

following a city primary or general election. In no event shall an initiative special election be called where the initiative petition has not been filed with the city clerk at least four (4) months prior to the date of the special election.

(Ord. No. 6179, § 3, 2-19-85; Ord. No. 6522, § 1, 9-8-86)

Sec. 12-77. Submission of sufficient petitions to mayor and council; mayor and council repeal the part(s) protested or call an election.

When the petition shall be found by the city clerk to be sufficient, the city clerk shall submit the same, with the certificate, to the mayor and council. It shall be the duty of the mayor and council to reconsider such ordinance; and if the same, or item, section or part thereof protested be not repealed, the mayor and council shall submit the ordinance or item, section or part thereof protested to the electors of the city, either at the next general election or at a special election to be called for that purpose. No special election shall be held less than ninety (90) days prior to or following a city primary or general election, and such protested ordinance or protested item, section or part thereof shall not go into effect or become operative unless a majority of the qualified electors, voting on the same, shall vote in favor thereof, and until the proclamation of the mayor is issued.

DEFINITION OF POLITICAL COMMITTEE: A.R.S. § 16-901(19)

"Political committee" means a candidate or any association or combination of persons that is organized, conducted or combined for the purpose of influencing the result of any election or to determine whether an individual will become a candidate for election in this state or in any county, city, town, district or precinct in this state, that engages in political activity in behalf of or against a candidate for election or retention or in support of or opposition to an initiative, referendum or recall or any other measure or proposition and that applies for a serial number and circulates petitions and, in the case of a candidate for public office except those exempt pursuant to section 16-903, that receives contributions or makes expenditures in connection therewith, notwithstanding that the association or combination of persons may be a part of a larger association, combination of persons or sponsoring organization not primarily organized, conducted or combined for the purpose of influencing the result of any election in this state or in any county, city, town or precinct in this state. Examples of types of political committees are listed on the front of this form.

NOTE FOR INDIVIDUALS INVOLVED IN POLITICAL ACTIVITIES:

An individual, acting alone, is not a political committee under Arizona law and need not file a statement of organization. If any additional person or persons join the effort [as defined above in A.R.S. § 16-901(19)] begun by an individual, the association of persons has become a "political committee" under Arizona law, and must file a statement of organization before accepting contributions, making expenditures, distributing literature or circulating petitions. A.R.S. § 16-902.01(A).

NOTE FOR THOSE INVOLVED IN INITIATIVE, REFERENDUM AND RECALL EFFORTS:

Before circulating initiative, referendum or recall petitions, a political committee must file its statement of organization with the appropriate filing office. Signatures obtained on petitions prior to the filing of the statement of organization are void and shall not be counted in determining the legal sufficiency of the petition. A.R.S. § 19-114(B) and § 19-202(C). Even though an individual, acting alone, may begin the initiative, referendum or recall effort, as soon as other persons join the effort, the association of persons must register as a political committee.

*If committee is formed on ballot proposition, indicate petition serial number and whether the committee supports or opposes the proposition.
